The 3 C's of Victory Outreach

1. Community - Family (Acts 2:42, 1Tim. 5:1-2)

The church is a community; we are a family. This is why we call each other brother, sister, spiritual mom and dad. We can express and receive love, security and a sense of belonging in a family.

Victory Outreach has been instilling the concept of the family into its members since the beginning. God has raised up a people that were no people. Many of the people working in the ministry of Victory Outreach today would not normally qualify as a pastor or licensed minister in other denominations or movements.

We have a sense of dignity and belonging because we are a family that God Himself raised up to become a unique ministry that works with the hurting people from inner-cities worldwide.

2. Cause - Army (Matthew 16:18, 1 Sam 18:5-17)

The cause is the army of the Lord. We are an army with a mission that God has given us to reach the world. We are a mighty army set aside to do battle against the powers of darkness through obedience and loyalty.

Having the same mindset is essential for conquering new lands of the Lord. While in a family the basic values that are instilled are love, acceptance and respect; in the army the values are a sense of mission, strategy, accomplishment and finances. In having these same core values, we will continue to experience VICTORY after VICTORY

Besides being a family and an army, the church also functions as a corporation. This is the business aspect of the ministry. We have our International Corporate offices, which are fully staffed with individuals that are dedicated to the worldwide expansion of Victory Outreach through "United We Can". This will become our future financial stability.
